THEY'VE BEEN TOGETHER FOR A LONG TIME...

HEY HEY, MIDORIKAWA-SENPAI AND AOKI-SENPAI...

BUT STILL... THOSE TWO LINED UP NEXT TO EACHOTHER... IT COULD MAKE A BEAUTIFUL PICTURE.
IT SORT OF LOOKS LIKE...
ISN'T THAT NICE! I WANT TO SERVE AT MIDORIKAWA-SENPAI'S SIDE TOO!
... GIVE UP, YOU'RE NO MATCH FOR AOKI-SENPAI.

THOSE TWO ARE A PRINCE AND PRINCESS.

I suppose that's how it looks to everyone
But I can't keep worrying about it forever.
Yeah right...
!!
My brothers are waiting, I've got to hurry home...
...She's really late.
.....
It's the same as always, isn't it, Nao

Reika
Is it all right for us to be together once in a while?
It's unusual for you to be going home so late
Yeah... I just had something on my mind
Basically...
we should stop going home together, since rumors are getting started...
Oh...
then how about we say that both you and I coincidentally went home late?
.....
Reika is...

mm
mm
NNN...
haa..
She's refined, graceful, and elegant.
The ideal girl
acknowledged by everyone.
Nobody has to tell me that.

Is that so? I think this is how you usually are
Thats not true. I do watch how I act when Im at school
...Why?

Is there...
some sort of reason that you have to hide your usual self?
.....
Hmmm. I wonder about that.
.....
If something is bothering you, you can talk to me anytime
Thanks, Reika.
You dont need to worry. I'm fine
I'm awful, and it's over such a trivial matter
SQUEEZE

Even though it's... nothing to be concerned over...
Tada!!
I made this for tomorrow's reading!
UWAHH
Jeez Miyuki-san.
Reika-chan! Youre beautiful! Youre like a princess!
...It fits Reika quite well
She's right
Someday,
What sort of costume party is that?
Yep! I make costumes for events once in a while
...Did Yayoi-chan make this?

yeah right...
9
I can't think about that.
Shakespeare's Romeo & Juliet
Right now...
if I became a princess...
like Reika, one who everyone would approve of...

Today's story was tons of fun! Thank you!
Reika-onee-chan and Nao-onee-chan!
I've got to concentrate on what's in front of me.
Kyaa!!
Ahh, don't pull on it so much.
TUG TUG
Hey hey, how did you make this dress?
10
T-thanks, Nao...
.....
You okay? Reika
...I've got you.
...Nao-onee-chan and Reika-onee-chan...
It's like...

you both are a real
prince and princess.

Right!? A combo of a girl who's popular amongst first year girls, and another girl who's popular with the boys!
A prince and princess combo that everyone recognizes!
Akane-san!
Sorry.
...!

I just remembered I have some urgent business...
I'm going home early today...
Hii
...
Nao!?
Eh...ehhh? Should I not have said that...?
FLUSTERED
.....
I understand.

What everyone is looking for..
is not me as a woman, but for me to be like a prince.
As if I could ever become...
a princess that everyone could approve of.

Nao.
Don't let what just happened bother you so much.
After all, everyone doesn't say that out of ill will.
That's exactly what the problem is!
Don't say ...what you don't even believe in the first place!
I'm not lying. I only speak the truth.
Why? Even though no one is saying that!!
You and I...
.....
...I know very well that you're actually quite feminine.
It means that deep down, it's what they all believe, doesn't it...
am I wrong?

Then if you love me.
do you not place any faith in what I say?
have been together for a very long time

Nao...

How others view you, and what others say about you
is it really that important to you?
...!
Despite what others may say...
Nao, you're the cutest.
We've always been together
I know this best!
I see...

It's not about how others perceive me.
It's not about wanting to be recognized a certain way...
I have someone that understands me better than anyone at my side.
And that's enough.
...thank you, Reika...

It really does
suit you well, Nao
!!
You can't! Not after you're finally all adorable!

It's about time to get to sleep

See? I'm as okay just as always! You don't need to worry--
Ahaha
You are not okay!

Hey, what happened? Tell me.
You can't take on all your problems alone.
.....
Miyuki...

I know because you've been looking like you've had something to say.

.....

can you really cling to someone that easily
who isn't even your lover or anything else?
...?
Or maybe, to you...
I'm just another person among the crowd?
...That isn't true!
...You mean that as a "PreCure", right...?
...? You're precious to me, Akane-chan.

You're the reason I'm able to have an enjoyable school life!
And I was able to become friends with everyone!
Miyuki...
You helped me out back when I had to give my first self introduction.
